

Important warning:

This communication is addressed to the students just arrived/about to arrive in Naples.

Dear students,

Due to the actual emergency circumstances and to the irresponsible conduct of some incoming students, we ask you again to behave responsibly and respect the basic measures aiming at containing the spread of sars-cov-2 virus:

- always wear a mask to protect your nose and mouth even outdoor,
- respect the distancing measures,
- wash your hands frequently,
- avoid gatherings and unnecessary physical contacts (parties, tours and so on).

DON' T ATTEND LESSONS IN PRESENCE (until further notice), even if scheduled, use virtual mode.

If you have any symptoms of acute respiratory infections, fever above 37.5 ° C or if you have come into contact in the last 14 days with subjects declared positive for SARSCoV-2, call 800 90 96 99 immediately or 1500.
