

2025 Spring School on Transferable Skills

Are you considering the next step in your career? Our 2-day online Spring School is designed to support your professional development by enhancing key skills in academic writing, grant applications, and CV preparation. The program will provide insights into the range of interview formats you may encounter throughout your career journey, along with opportunities to practice interview questions in a supportive environment. We will also explore important topics such as gender equality, effective communication, and navigating the academic research landscape.
